

COPYRIGHT POLICY

Assistiv.ai is committed to upholding both Brazilian and international copyright laws. We require all users to respect the moral and legal obligations related to the use of copyrighted materials.

We acknowledge that copyright infringement is a violation of the law and may result in civil and/or criminal liability for the infringer.

This copyright policy (“**Policy**”) outlines how Assistiv.ai addresses copyright-related issues and provides instructions for submitting a copyright infringement complaint. This Policy applies to all users who upload content to our application software (“**App**”) for processing by artificial intelligence.

1. CONTENT

Your Content. You may provide input to the Services (“**Input**”) and receive output from the Services based on the Input (“**Output**”). Together, Input and Output are referred to as “**Content**”. You are responsible for ensuring that your Content does not violate this policy or any applicable laws. You represent and warrant that you have all necessary rights, licenses, and permissions to provide Input to our Services.

The definitions established in this policy do not override the definitions outlined in the Terms and Conditions.

Content Ownership. Between you and Assistiv.ai, and as permitted by applicable law, you retain ownership rights to your Input, and you own the Output. We hereby assign to you all our right, title, and interest, if any, in the Output.

Similarity of Content. Due to the nature of our Services and artificial intelligence, Output may not be unique. Other users may receive similar Output. Our assignment of rights does not extend to Output received by other users or any third-party Output.

Our Use of Content. We may use Content to provide, maintain, develop, and improve our Services. We also use Content to comply with applicable laws, enforce our terms and policies, and ensure the safety of our Services.

2. COPYRIGHT RESPONSIBILITY

You are allowed to share any material with other users, if it is not subject to copyright or any other restrictions.

If you share copyrighted material with other users, even if not in an open folder, it constitutes a copyright infringement. Assistiv.ai retains the right to remove such material in accordance with copyright policies.

Cooperation. Assistiv.ai bears no responsibility for copyright violations, as these are solely the user's responsibility. We will cooperate with authorities in investigating any instances of copyright infringement.

3. SUBMITTING A COPYRIGHT COMPLAINT

Consider Fair Use. Before filing a copyright complaint, consider whether the use may qualify as fair use. Fair use allows brief excerpts of copyrighted material to be quoted verbatim for purposes such as criticism, news reporting, teaching, and research without needing permission from or payment to the copyright holder.

Attempt Direct Resolution. If you've considered fair use and still intend to file a complaint, try resolving the issue directly with the user first.

Consult an Attorney. Unsure if the material infringes? Consider seeking legal counsel before notifying us.

Sharing Notifications. We may share your notification or counter-notification with third parties, including the account holder or for publication, as required by law or at our discretion.

3.1.NOTIFICATIONS OF INFRINGEMENT

If you believe that material on our Services infringes your copyrights, as a copyright owner or agent, you can submit a copyright infringement notification ("Notification") using the contact details provided below.

Contact Details. Phone: +553599977470, Email: sharma@assistiv.ai

Notification Requirements:

- a. A physical or electronic signature of the authorized person acting on behalf of the copyright owner.
- b. A description of the copyrighted work claimed to be infringed.
- c. A description of where the allegedly infringing material is located on our app, sufficient to enable us to find it.
- d. Your name, address, telephone number, and e-mail address.
- e. A statement that you have a good-faith belief that the disputed use is not authorized by the copyright owner, its agent, or the law.
- f. A statement that the information in your notice is accurate and, under penalty of perjury, that you are the copyright owner or authorized to act on the copyright owner's behalf.

Review and Response. We will review your complaint for accuracy, validity, and completeness. If it meets these requirements, our response may involve removing or restricting access to the infringing material and permanently terminating repeat infringers' accounts.

Backup. You can request a backup of the terminated account's data, although we may not always provide one. It's advised to maintain your own backups.

Notification to Affected Users. If we act on a Notification of alleged infringement, we will make efforts to inform the affected user. This communication may include a full copy of your Notification. (including your name, address, phone, and email address).

Reservation of Rights. Assistiv.ai reserves the right to not act if a copyright infringement notification fails to comply with these requirements.

3.2. COUNTER-NOTIFICATIONS

If you receive a copyright infringement Notification indicating material has been removed or restricted on our Services, please review it carefully for details.

Filing a Counter-Notification. To file a counter-notification with us, you must provide a written communication with the following requirements using the contact details provided below.

Contact Details. Phone: +553599977470, Email: sharma@assistiv.ai

Requirements for counter-notification:

- a. Your physical or electronic signature.
- b. A description of the copyrighted work claimed to be infringed.
- c. A description of where the allegedly infringing material is located on our app, sufficient to enable us to find it.
- d. Your name, address, telephone number, and e-mail address.
- e. A statement by you declaring under penalty of perjury that you have a good-faith belief that the material at issue was either misidentified or mistakenly removed.

Important Considerations. Unsure if the material infringes or was removed in error?

Consider consulting an attorney before filing.

Assistiv.ai's Discretion. We reserve the right to take no action upon receipt of a counter-notification. If it meets requirements, we may forward it to the original notifier.

Additional Remedies. Our policy does not limit our ability to pursue other remedies for suspected infringement.

4. REPORTING COPYRIGHT INFRINGEMENT

If you would like to notify us of the infringing material or activity, please use the contact details provided below:

Phone: +553599977470

Email: sharma@assistiv.ai

5. CHANGES AND AMENDMENTS

We reserve the right to modify this Policy, or its terms related to the Services at any time at our discretion.

Effective Date of Changes. An updated version of this Policy will become effective immediately upon posting the revised Policy, unless otherwise specified.

Consent to Changes. Your continued use of the Services after the effective date of the revised Policy (or any other specified act) will constitute your consent to the changes.

Last updated on 18th July, 2024.
